4. HOW DO WE MATCH THE SERVICES TO YOUR INTEREST AND PREFERENCES?

Our Website aims to provide the best possible match, the services We provide to Your expectations and preferences. SimpleFX does not use profiling to test Your preferences. However, due to the use of this type of tools for marketing purposes by, among others, suppliers of Your internet browser, websites such as Google + and Facebook, in order to provide You with the most transparent information below, We describe what profiling is about.

The scope of data: To this end, internet service providers (different than SimpleFX) may use Your personal data provided by You when creating an Account, when completing the Profile and data provided in documents saved by You in Your Account, as well as data about Your activity on the Website, recorded and stored via cookie files and page views that have not

been completed by sending a message, the hyperlinks You have clicked, Your username, profile picture, gender, networks and any other information You choose to share when using You on third party websites, platforms and applications (hereinafter referred to as: 'Third Party Sites') (such as when you use the "Like" functionality on Facebook or the +1 functionality on Google+), the websites You visited before arriving at SimpleFX Service, information about the type of browser You use, details of the web pages You have viewed, Your IP address (collectively defined as: 'Site Usage Information').

Profiling: Marketing companies (different than SimpleFX) use the above data to create Your profile as a potential recipient of marketing services, corresponding to Your interests and preferences. Then, based on Your profile created in this way, they choose and present to You the best matching ads and messages.

Marketing of Our products and services.

The Policy applies to personal information collected by the SimpleFX in connection with the Services We offer. This includes also information collected offline through Our consumer center, direct marketing campaigns, sweepstakes and competitions, and online through Our Websites, applications and branded pages on third party platforms and applications accessed or used through such websites or third party platforms (collectively defined as: 'SimpleFX Sites').

The Policy also applies to targeted SimpleFX content, including offers and advertisements for SimpleFX products and services, which We (or a service provider acting on our behalf) may send to You on Third Party Sites based on your Site Usage Information. These Third Party Sites may have their own privacy policies and terms and conditions. We encourage You to read them before using those Third Party Sites.

The scope of data: For this purpose, We process personal data provided by You when creating the Account, completing the Profile and data about Your activity on the Website, recorded and stored via cookies. Activity data relate in particular to such data as: search history, clicks on the Website, visits to the main pages of the Sites and their subpages, login and registration dates, data on the use of certain services on the Website, history and Your activity related to Our e-mail communication with You; We also receive information that the

affiliate or which marketing campaign (e.g. Google AdWords) has influenced Your interest in the Website.

Profiling: Marketing companies (different than SimpleFX) use the above data to create Your profile as a potential recipient of marketing services, corresponding to Your interests and preferences. Then, based on Your profile created in this way, they choose and present to You the best matching ads and messages.

Remarketing: In order to reach You with our marketing messages outside of the Services, We use the services of external suppliers or our affiliates. These services consist in displaying our marketing messages on websites other than the Services. For this purpose, external providers install, for example, the appropriate code or pixel to download information about Your activity on the Services. Details can be found in the [Cookies Policy](#).

Balance of interests: After assessment Our interest and Your interests, rights and freedoms, We believe that marketing will not interfere excessively with Your privacy and will not be an excessive burdensomeness for You. In the course of assessment interests, rights and freedoms, We have taken into account the following circumstances:

a) as part of the marketing of our clients' products and services, We do not provide Your personal data; in this way We limit the circle of people having access to Your personal data;

b) We ensure that We have implemented appropriate guarantees to protect Your privacy, namely:

i. We only use data about the professional sphere of Your life. We are only interested in what pertains to using Our Service, not Your private life;

ii. We only use data about Your activity on the Website, not what You do on other websites.

Depending on Your location, there may be solutions to help You control Your online behavioural advertising preferences (such as whether certain third parties may collect and use your Site Usage Information for targeted advertising purposes). For example, in Europe the website www.youronlinechoices.com allows You to choose which companies can deliver

customized ads while in the US You may use the Network Advertising Initiative's Opt-Out Tool and the Digital Advertising Alliance's Opt-Out Tool.

Legal basis: Our legitimate interest [(Article 6 (1f) of the GDPR], consisting in the marketing of our products and services.

You have the right to request a restriction on the processing of Your personal data. If you submit such a request, it will prevent You from using certain functionalities or Services, involving the the personal data processing covered by the request. You will also not receive any messages, including marketing messages.

You have the right to request restrictions on the use of Your personal data in the following cases:

a) when You contest the accuracy of Your personal data - then We will restrict their use for the time needed to verify the accuracy of Your data, but no longer than for 7 days since the receipt of Your request;

b) if the processing of Your data is unlawfully, and instead of erasure Your personal data, You will demand restriction of their use;

c) where Your personal information has ceased to be necessary for the purposes for which We have collected or used it, but it is necessary for You to determine, assert or defend claims;

d) if You object to the use of Your data - then the restriction occurs for the time needed to consider whether, due to Your special situation, protection of Your interests, rights and freedoms override the interests based on which We process when We process Your personal data.

Legal basis: Article 18 of the GDPR.

Right of access to the data.

You have the right to obtain confirmation from Us whether We process your personal data, and if this is the case, You have the right to:

a) get access to Your personal data;

b) obtain information about the purposes of processing, categories of personal data being processed, the recipients or categories of recipients of this data, the planned period of storage of Your data or criteria for determining this period, information concerning your rights under the GDPR and the right to file a complaint to the supervisory authority, the source of these data, on automated decision-making, including profiling and safeguards applied in connection with the transfer of these data outside the European Union;

c) obtain a copy of Your personal data.

Legal basis: Article 15 of the GDPR.

The right to rectify Your personal data

You have the right to rectify and supplement Your personal data. You can do it yourself in the Settings (Privacy) tab. With regard to other personal data, You have the right to request us to correct this data (if it is incorrect) and to supplement it (if it is incomplete).

Legal basis: Article 16 of the GDPR.

The right to data portability.

You have the right to receive Your personal information that You provided to Us and then send it to another personal data controller chosen by You, e.g. to another controller of similar services. You also have the right to request that personal data be sent by Us directly to such other controller, if it is technically possible.

We will send your personal data in the form of a csv file. The csv format is a commonly used, machine-readable format that allows you to send the received data to another controller of personal data.

Legal basis: Article 20 of the GDPR.

When do we meet your request?

While - by exercising the aforementioned rights - You request Us, We comply with this request or refuse to comply with it without delay, but no later than one month after receipt. However, if - due to the complexity of the request or the number of requests - we will not be able to meet your request within a month, we will meet them within the next two months, informing you in advance about the intended extension.

For technical reasons, we always need 72 hours to update the settings you have selected in our systems. Therefore, it may happen that you will receive an email from us during the system update, from which you have given up.

Filing complaints, inquiries and applications

You can make complaints, requests and applications to Us regarding the processing of Your personal data and the exercise of Your rights.

If you believe that Your right to the protection of personal data or other rights granted to you by virtue of the GDPR have been violated, you have the right to fill a complaint against Us to the Personal Data Protection Commissioner of Cyprus.

9. HOW DO WE LOOK AFTER THE SAFETY OF YOUR PERSONAL DATA?

We strive to ensure the security of Your personal data. The Services use encrypted data transmission (SSL) during registration and logging in, which protects the data identifying You and significantly hinders the interception of access to Your account by unauthorized systems or persons

10. HOW DO WE USE COOKIES?

Details on how we use cookies can be found in [Cookies Policy](#).

11. AMENDMENTS IN THE PRIVACY POLICY

Depending on Our needs, We may change and supplement the Privacy Policy. We will inform You about any changes or additions by posting relevant information on the main pages of the Services, and in case of significant changes, We can also send You separate notifications to the email address provided by You.
