ETF SPREAD CUT – TERMS & CONDITIONS

TERMS AND CONDITIONS OF THE ETF SPREAD CUT PROMOTION

§ 1 General Provisions

1. The organizer of the Promotion is 8TECH SVG LTD, registration number 22361 BC 2014, with its registered office at Beachmont Business Centre, Suite 404, Kingstown VC0100, Saint Vincent and the Grenadines (the "Organizer").
2. The Promotion is conducted on the SimpleFX trading platform owned by the Organizer.
3. Participation in the Promotion is voluntary and free of charge. No registration, opt-in or promo code is required — the reduced spreads are applied automatically to all eligible accounts during the Promotion Period.
4. The Promotion does not constitute an inducement or solicitation to engage in trading activities.
5. Trading ETF instruments as CFDs involves a high level of risk due to leverage and may not be suitable for all investors. Reduced spreads offered under this Promotion do not eliminate or reduce this risk and should not be treated as an incentive to trade beyond the Participant's individual risk tolerance and financial capabilities. For full information on the risks involved, please refer to the Legal Documents (https://simplefx.com/legal-documents) available on the SimpleFX website.
6. Before participating in the Promotion, the Participant is obliged to read and accept these Terms and Conditions and the SimpleFX Terms and Conditions available on the SimpleFX website. Placing a trade on an eligible ETF instrument during the Promotion Period constitutes acceptance thereof.

§ 2 Definitions

1. "**Participant**" means a natural person holding an active and verified SimpleFX trading account who meets the eligibility criteria set out in these Terms and Conditions.
2. "**Eligible Instrument**" means an ETF instrument (offered as a CFD) available on the SimpleFX platform and listed in Appendix 1 to these Terms and Conditions.
3. "Spread Reduction" means the temporary reduction of the standard spread applicable to Eligible Instruments, applied automatically during the Promotion Period, in the amount specified for each Eligible Instrument in Appendix 1, up to a maximum of 70%.

4. “**Promotion Period**” means the period from 15 September 2026, 14:00 PM UTC until 28 September 2026, 20:00 PM UTC.
5. "**Standard Spread**" means the spread applicable to a given Eligible Instrument under the Organizer's standard trading conditions, outside the Promotion Period.

§ 3 Eligibility

1. The Promotion is available to all Participants who hold a verified SimpleFX account and who trade Eligible Instruments during the Promotion Period.
2. No opt-in, registration for the Promotion, or minimum deposit is required to participate. The Spread Reduction is applied automatically at the platform level to all eligible accounts.
3. The Promotion is not available to residents of jurisdictions in which the Organizer does not offer its services or in which such promotions are prohibited by applicable law.
4. Each Participant may hold only one SimpleFX account. Multiple accounts held directly or indirectly by the same person are prohibited from participating in the Promotion.
5. The Organizer reserves the right to exclude any Participant who breaches these Terms and Conditions, the SimpleFX Terms and Conditions, or engages in abusive, fraudulent, or manipulative trading practices. Exclusion takes effect from the moment the Participant is notified, and from that moment Standard Spreads apply to their account.

§ 4 Spread Reduction Structure

1. During the Promotion Period, the Standard Spread applicable to Eligible Instruments shall be reduced by up to 70%. The exact reduction applies per instrument and is specified for each Eligible Instrument in Appendix 1 to these Terms and Conditions.
2. The Spread Reduction is applied automatically at the platform level. No opt-in, promo code or minimum volume is required.
3. The Spread Reduction applies exclusively to ETF instruments offered as CFDs and listed in Appendix 1. It does not apply to any other asset class available on the SimpleFX platform, including forex, cryptocurrencies, indices, commodities or single-stock instruments.
4. The reduced spread applies to positions opened during the Promotion Period. Positions opened before the start of the Promotion Period are subject to Standard Spreads.
5. The spread values indicated in Appendix 1 apply under normal market conditions. Spreads may widen beyond the indicated values in particular during periods of increased volatility, low liquidity, market opening and closing hours, and in connection with the publication of macroeconomic data or corporate events affecting the underlying assets.
6. The Organizer reserves the right to add Eligible Instruments to Appendix 1 during the Promotion Period and to publish such information via the SimpleFX website or other official communication channels.
7. Upon expiry of the Promotion Period, Standard Spreads shall apply automatically to all Eligible Instruments.

8. The Spread Reduction applies exclusively to the spread on Eligible Instruments. Any other trading costs applicable to the Participant's account, including swap fees, remain unchanged at standard rates.
9. ETF instruments available on the SimpleFX platform are offered exclusively as contracts for difference (CFDs). The Participant does not acquire ownership of any ETF units or of the underlying assets, and is not entitled to dividends, distributions, voting rights, or any other rights attached to the ownership of ETF units. The Participant's exposure is limited to changes in the price of the instrument.
10. The Organizer is not affiliated with, endorsed by, or sponsored by the issuers or providers of the ETFs referenced on the platform. Names, symbols and trademarks are used solely to identify the underlying asset of a given instrument.

§ 5 Restrictions

1. Trading activities conducted for the sole purpose of exploiting the reduced spreads rather than for genuine market exposure, including but not limited to latency arbitrage hedging between accounts or with third parties, circular trading, or abuse of pricing errors or platform malfunctions, are strictly prohibited.
2. In case of detection of prohibited practices, the Organizer reserves the right to withdraw the Spread Reduction from the Participant's account with immediate effect, to adjust the results of the affected trades in accordance with Standard Spreads, and to take further actions in accordance with the SimpleFX Terms and Conditions.

§ 6 Final Provisions

1. In matters not regulated by these Terms and Conditions, the SimpleFX Terms and Conditions, Privacy Policy, AML/KYC Policy, and other applicable documents of the SimpleFX Group shall apply.
2. The Organizer reserves the right to amend these Terms and Conditions or to terminate the Promotion at any time for valid reasons, in particular in case of technical issues, legal requirements, or abuse of the Promotion. Termination of the Promotion does not affect trades already executed at reduced spreads.
3. Any amendments to these Terms and Conditions shall be published on the SimpleFX website and shall become effective upon publication.
4. Upon expiry of the Promotion Period, Standard Spreads shall automatically apply to all Eligible Instruments without further notice.
5. These Terms and Conditions are governed by the laws applicable to the Organizer.
6. Appendix 1 forms an integral part of these Terms and Conditions.

Appendix 1

Symbol	Spread reduction (%)
IBIT.US	-70%
SBIT.US	-70%
